GENDER AND WOMEN’S STUDIES INDEPENDENT STUDY CONTRACT

Gender and Women’s Studies majors, minors and graduate students may develop contracts for Independent Study with GWS core or affiliated faculty members to develop course work that is either not available through regular courses or is based on their independent research.

This form is for department records and is used to assign a grade at the end of the semester. You must also complete a Change of Schedule form and submit it to the Gender and Women’s Studies department Academic Coordinator to be officially enrolled.

Reminder: The last day to register for courses without a $250 late charge in the Fall/Spring Semesters is the 21st day after the first day of classes; for Winter/Summer Sessions (to avoid a $50 late charge) register by the last day to drop with deletion from the record.

Independent Study Title

On a separate sheet of paper, fully describe the nature of the course work that the directing faculty member and student have agreed will constitute the Independent Study. This should include texts to be read, research required, any assignments or exams, and the basis for grading. Like a syllabus, this constitutes a contract between the faculty member and student and should be as detailed as possible to assure that both understand the expectations to which they are agreeing. For GWS 399-699, explain how this content is different from courses already in the course catalog.
