(Continued on back)
Funding may be provided to individuals traveling to a conference to present a paper or who have or will be attending a conference which they can demonstrate will advance their research and professional goals.

Funding will be awarded by reimbursement and will require awardees to turn in all applicable receipts for allowable expenses. If pre-authorization is required for travel, that paperwork MUST be in place before reimbursements can be approved. In some cases, department p-cards can be used to pay directly for travel expenses. Contact Darcy Roman-Felix, Leigh Spencer, or Terry Mullin to see if your award qualifies.

The judging committee for travel awards consists of two WOSAC Board Members, one GWS Faculty member, and one (non-voting) GWS Graduate Student.

Awardees will be required to present their research at a future WOSAC event or in an article for WOSAC’s newsletter.
