The $1,000 Monique Wittig Writer’s Scholarship honors the life and work of Monique Wittig, French novelist, poet and social theorist. Wittig was a professor at the University of Arizona from 1990 to 2003. First published as a novelist, Wittig’s fiction revolutionized French literature. Mary McCarthy called her “the best writer anywhere of her generation.” Wittig’s fiction, as well as theoretical writing, has had a fundamental and worldwide impact upon feminist theory and lesbian and gay theory.

In honor of Wittig, the Monique Wittig Writer’s Scholarship will foster innovation in literary forms and the connection between politics and language. It will allow University of Arizona students to allocate more time to their writing.

This scholarship is open to graduate and undergraduate writers in all fields including literature, film, theater, poetry, essays and new/mixed media. The winner will be expected to present from their work in progress at the awards ceremony in Spring 2020.
